A

Adhave, R. S., A thermograph for use in the Arctic, 200
Alaska
  Annual emptying of Lake George, Alaska, 26
  The future of Alaska, review, 279
  A glaciological reconnaissance of the Columbia Glacier, Alaska, 134
  Phytoplankton in coastal waters of the Arctic Ocean at Point Barrow, Alaska, 239
  Some notes on *Mysis relicta* and its relatives in northern Alaska, 109
  Some soil-inhabiting, freshwater, and plant-parasitic nematodes from the Canadian Arctic and Alaska, 202
  University of Alaska Gulkana Glacier Project, 46
  Variations of soil temperatures in Ogotoruk valley, Alaska, 181
Anderson, J. E., and C. F. Merbs, A contribution to the human osteology of the Canadian Arctic, review of, 145
Annual emptying of Lake George, Alaska: Kirk H. Stone, 26*
Apollonio, S., Oceanography, winter 1961-1 (Devon Island), 63
An approach to polar research: T. E. Jones, 151
An archaeological collection from Somerset Island and Boothia Peninsula, N.W.T., review by W. E. Taylor, Jr., 144
Archaeology
  Implications of a pre-Dorset lance head from the eastern Canadian Arctic, 129
  Notes on lodge plans in the Lake Indicator area of south-central Quebec, 219
The Arctic and Antarctic Scientific Research Institute, Leningrad: T. Garrett, 215
Arctic
  Mycology in the Canadian Arctic, 17
